MAUI PLEASED
WITH PROMOTION

[Special Star-Bulletin Correspondence]

WAILUKU, Maui, October 27.—
Maui people are much pleased over
the efforts of the Promotion commit-
tee to exploit the wonders and beau-
ties of Haleakala. H. P. Wood chair-
man of that committee, accompanied
by Mrs. Wood, R. K. Bonine, the
maker of moving pictures, Professor
Jagger, W. C. Alken, Chas. G. Col-
lins of Kamehameha School, J. N. S.
Williams, and a guide went to the top
of Haleakala last week Saturday for
the purpose of getting some good pic-
tures of the great crater. The night
was spent at Olinda, and the ascent
planned for the early morning on Sun-
day. Bonine got busy with his ap-
paratus the moment the party set out,
so as to get the pictures of the start
up the mountain. On the way he se-
lected some of the most striking
points and was having excellent re-
sults until when about two miles from
the top according to the report of one
of the party it began to rain, and
nothing could be taken in the line of
pictures that day. The return was
made to Olinda but Mr. Bonine tried
again during the week to make the
ascent, to see what he could get in
the way of pictures of Haleakala it-
self. It is hoped that he will make the
experiment once more, taking parties
down into the crater, and through to
the other side, thus showing how the
whole trip can be made successfully
through the extinct volcano.

As it is, he has done some excellent
work, and made a splendid beginning
in the way of advertising the island
of Maui to tourists. It is hoped that
real results will be gained in the fu-
ture, so that people who heretofore
have been afraid to make the ascent
of Haleakala because of its great dif-
ficulties will realize that the trip is
not fraught with undue hardships.
